Eagle Plant Protect Private Limited

<https://www.eagleplantprotect.com/>

We **Eagle Plant Protect Private Limited** are engaged in manufacturing a wide range of **Organic Pesticides, Agricultural Biopesticides, Plant Protector, Plant Growth Stimulator** etc.

About Us

Established in **2009**, we **Eagle Plant Protect Private Limited**, are leading player in the market in manufacturing a whole encompassing range of **Organic Pesticides, Agricultural Biopesticides, Plant Protector, Plant Growth Stimulator etc.**

Our range is highly appreciated by clients for its premium quality. Both the organic fertilizers and agrochemical products are easily absorbed in plant systems; some of the Organic Fertilizers are also available as a solid spray-dried powder or liquid solution. We mostly obtain the organic fertilizers from various chemical formulations that contain a certain amount of nutrients at different ratio, making it effective for plants.

We maintain a level of transparency in all our dealings, which help us attain maximum level of client contentment. Due to our ethical business policies, prompt delivery, competitive prices and client-centric approach, we are consistently growing our business.

Under the supervision of **Mr. Paresh Pachani**, we have been successful in meeting the demands of our customers.

Shoot Organic Pesticides

Cypermethrin 10% E.C.
Cygale- 10 Insecticide

Laava Plus Fungicide
